

Weekly message for Greenhead College students and parents/carers

Friday, 28 June 2024

Dear all,

All our A1 students have been engaging in a range of Step Into activities this week. I hope they have found this to be an enjoyable and beneficial experience.

Here are this week's messages:

Step Into Your Future Week

**Step Into Your
Future Week**

This week, all our A1 students have been off timetable, participating in a wide range of career activities designed to enable them to make more informed decisions about their next steps after their A Levels.

The week has seen students carry out their own work placements or undertake College organised events involving many off-site visits, university taster days, talks, and workshops with professionals representing a wide range of industries.

Feedback from the students, staff and our external parties has all been extremely positive and we are very proud of how well our students have engaged with the week.

We are indebted to our staff and to so many others from industry and academia for all the support and hard work that has gone into making this week so successful.

Here are some photos from the week (*overleaf*):

From top to bottom, left to right:

Step into Politics London trip,
Step Into History Archaeology dig,
Step Into Media workshop,
Step Into Geography and Geology – helping with the nature reserve at Standedge Tunnel,
Step Into Engineering workshop with Cummins Turbo Technologies,
Step Into Computer Science project work.

Greenhead Park

Students and parents/carers may wish to take part in this survey regarding playable spaces in Greenhead Park:

Playable Spaces
People, Places & Play

Have your say on play!
We're providing spaces that enable communities to access a range of play opportunities and enjoy the great outdoors.

Greenhead Park, Huddersfield
