

# Summer 2024 A-Level Results Day

## Thursday 15 August 2024

**On Results Day**, log in to Cedar from **8am** to view your results on the 'results' tab. Locate the green menu on the left side of the screen, click on the *A+ Exams and Results* link, and select **Exam Results**.

Your subject results will be reported as an **overall** grade. Information regarding the marks achieved and grade boundaries will also be available once published by the exam boards.

Results slips will be posted to your home address in the days following Results Day and will provide confirmation of what you have viewed on Cedar. The Cedar results page can also be printed, if needed.

After checking your results, please log on to your UCAS Hub as soon as possible to check your university place.

**If you achieve what you're hoping for, congratulations and well done!**

**Results Day Queries:** Having received your results, you may wish to speak in person to a member of staff from our Careers team or a senior member of staff. Do come into college to obtain any further guidance you may need. **Please ensure you wear your lanyard, complete with student card.**

**Post Results Services:** If you have concerns about any of your grades (and we hope this will not be the case), it is vital that you speak to Exams staff as soon as you can; there are strict deadlines for post results services, including access to scripts and reviews of marking. Full details of the services that will be available can be found on the Exams section of the College website, found [here](#).

All applications for post results queries are administered through the Exams Office (M24) which will be open as follows:

**Destinations:** For all A2 leavers, please let us know what you are doing after college by emailing: [careers@greenhead.ac.uk](mailto:careers@greenhead.ac.uk). Please include your name, student number & details of your course/job title as well as your employer/university/college. If you are taking a year out, do also let us know your immediate and future plans. Should you need any help or advice from careers staff, also use this email to get in touch. Thank you.

---

**Certificates:** A Level certificates will arrive in college by the end of November 2024. We will be in touch to let students know how these will be distributed, once received. Please keep the Exams Office informed of any home address changes using the email address below.
